

## Request for proposal for a three-year agreement on iron works

1. For several projects, Green Phenix needs different sorts of ironworks. We need iron works to be done at our facilities; we need one or more iron frames as a docking station for 2m3 big bags, an iron cage on a vehicle, iron frames for collection stations, and so on.
2. We are looking for a partner for these works for the coming three years. This partner needs to meet the following criteria:
  - a. Must be able to prove that he has experience in all these kinds of works (photos, names of clients);
  - b. The partner employs at least three schooled workers;
  - c. The partner can prove he keeps a decent stock of iron, so he is not dependent on deliveries all the time;
  - d. Partner is willing to give Green Phenix a graduated discount on each type of product and a general discount (progressive) on the total of orders;
  - e. Partners needs to prove that he has been in business for longer than three years;
  - f. Partner must prove he owns the proper machinery to realize the desired products.
3. If you want to become our partner for three years, you should submit a proposal in English before May 29<sup>th</sup> 2022.
4. Questions can be emailed to [info@greenphenix.com](mailto:info@greenphenix.com) or send by Whatsapp to +599 9 524 6643
