

## We're hiring

Green Phenix is a social enterprise that is creating a circular and inclusive economy to create a more sustainable island. The company collects and recycles waste plastic and offers traineeship programs for people that have been long term unemployed. For the RESEMBID project 'To reduce Curaçao's plastic pollution in the marine environment by promoting innovative and creative recycling, public awareness, and education' we're looking for an academic **project employee**.

## Job description

The project employee will be working on the following three activities and results:

- studies and research as described in the project plan (baseline study towards waste and legislation)
- developing E-learning regarding waste, pollution and recycling for school children
- developing and executing an awareness campaign,

## Required profile

### *Minimum eligibility criteria*

- Minimum of a relevant academic or HBO diploma
- Proven commitment to the goals of the RESEMBID program and Green Phenix's goals
- Available for at least 32 hours a week
- Living on Curaçao
- Excellent spoken and written English. Papiamentu and Dutch are desired

### *Competencies*

- Passionate, committed to sustainable development and poverty eradication
- Intuitive, emotionally intelligent, proactive
- Flexible & tolerant
- Results orientated with a high capacity for work and initiative
- Strong sense of team building and belonging

### *Additional information*

- Near full time position
- Duration: 14-month fixed-term contract

Application will be reviewed and interviews will be conducted in a rolling basis. Therefore, Green Phenix reserves the right to proceed with a pre-selection as early as possible.

**Deadline for application: 12/09/2022**
